

Seabiscuit Commemorative Stamped Envelope

ORDER FORM

Commemorative stamp collecting is one of the most popular collection hobbies in the world. The three basic elements of a first day cover are the envelope, the stamp and the postmark. The postmark is the critical element as it verifies the date on which the stamp in question was canceled and ties it to the cover. If the date of the cancel is on the first day a particular stamp design has been issued by the post office, that envelope is a 'First Day Cover'.

To order your First Day Cover Seabiscuit Commemorative Stamped Envelope with pictorial postmark, please complete this Order Form and return with payment to **Seabiscuit Heritage Foundation**. Cost is \$5.50 each. See details below.
